PII is information that identifies you as an individual - for example, your name, address, telephone number, e-mail address, credit or other payment card information, billing address, and shipping information. Non-PII is aggregated information, demographic information, IP addresses, user behavior data from web interaction metrics tools and other information that does not reveal your specific identity. PII and Non-PII may be collected anytime you access or use a FCS LLC website. PII and Non-PII may also be collected by FCS LLC during in-person

discussions, telephone conversations, and electronic or other written communications. We also collect information via cookies, as explained below in Section 4.

We collect information from you when you register on our Website, place an order, enter a contest or sweepstakes, respond to a survey or communication such as e-mail, or participate in another Website feature.

When ordering or registering, we may ask you for your name, e-mail address, mailing address, phone number, credit or other payment card information, or other information.

You may, however, visit our Website anonymously.

We also collect information about gift recipients so that we can fulfill the gift purchase. The information we collect about gift recipients is not used for marketing purposes.

Like many websites, we use "cookies" to enhance your experience and gather information about visitors and visits to our websites. Please refer to Section 4 below for information about cookies and how we use them.

Section 2 - How Do We Use Your Information?

We may use the information we collect from you when you register, purchase products, enter a contest or promotion, respond to a survey or marketing communication, surf the Website, or use certain other Website features in the following ways:

1. To personalize your site experience and to allow us to deliver the type of content and product offerings in which you are most interested;
2. To allow us to better serve you in responding to your customer service requests;
3. To quickly process and fulfill your transactions;
4. To administer a contest, promotion, survey, or other site feature; and
5. If you have opted-in to receive our e-mail newsletter, we may send you periodic e-mails.

If you would no longer wish to receive promotional e-mail from us, please refer to the "How Can You Opt-Out, Remove or Modify Information You Have Provided To Us?" in Section 8 below. If you have not opted-in to receive e-mail newsletters, you will not receive these e-mails. Visitors who register or participate in other Website features such as marketing programs and "members-only" content will be given a choice whether they would like to be on our e-mail list and receive e-mail communications from us.

Section 3 - How Do We Protect Visitor Information?

We implement a variety of security measures to maintain the safety of your PII. Your PII is contained behind secured networks and is only accessible by a limited number of persons who have special access rights to such systems, and are required to keep the information confidential. When you place orders or access your personal information, we offer the use of a secure server. All sensitive/credit/payment card information you supply is transmitted via Secure Socket Layer (SSL) technology and then encrypted into our databases to be only accessed as stated above.

Section 4 - Do We Use "Cookies"?

Yes. Cookies are small files that a site or its service provider transfers to your computer's hard drive through your web browser (if you allow) that enables the site's or service provider's systems to recognize your browser and capture and remember certain information. For instance, we use cookies to help us remember and process the items in your shopping cart. They are also used to help us understand your preferences based on previous or current site activity, which enables us to provide you with improved services. We also use cookies to help us compile aggregate data about site traffic and site interaction so that we can offer better site experiences and tools in the future.

We may contract with third-party service providers to assist us in better understanding our site visitors. These service providers are not permitted to use the information collected on our behalf except to help us conduct and improve our business.

You can choose to have your computer warn you each time a cookie is being sent, or you can choose to turn off all cookies. You do this through your browser (like Netscape Navigator or Internet Explorer) settings. Each browser is a little different, so look at your browser Help menu to learn the correct way to modify your cookies. If you turn cookies off, you won't have access to many features that make your site experience more efficient and some of our services will not function properly. However, you can still place orders over the telephone by contacting customer service.

Section 5 - Do We Disclose the Information We Collect to Third-Parties?

Yes. In certain circumstances, we may disclose your PII to third-parties who assist in processing and shipping your order. Specifically, we may share this information with certain suppliers, freight and shipping companies, and manufacturers for the sole purpose of processing and shipping your order. We may also disclose your PII to payment processors and PayPal for the purpose of processing your order.

It also does not include website hosting partners and other parties who assist us in operating our Website, conducting our business, or servicing you, so long as those parties agree to keep this information confidential.

We may partner with third-party service providers to serve ads on our behalf on non-affiliated third party sites. These third party websites and advertisers, or Internet advertising companies working on their own behalf, sometimes use technology to send, directly to your browser, advertisements that appear on our Website. Some of those ads may be personalized, meaning that they are intended to be relevant to you based on information we or the online advertising network serving the ad collect about your online activities here and elsewhere over time. For example, anonymous information collected across multiple sites that you visit over time may enable the ad network to predict your preferences and show you ads that are most likely to be of interest to you. To opt out of these types of ads, please visit the Network Advertising Initiative (NAI) for information about how to opt-out of internet-based advertising by their members. See <http://www.networkadvertising.org> for general information about the NAI and http://www.networkadvertising.org/managing/opt_out.asp for the opt-out page. and how to opt-out from online behavioral ads served by some or all participating companies.

FCS LLC also may use tools such as Google AdWords and Google Display remarketing services to advertise on third party websites (including Google) to previous visitors to our Website. This could mean that we advertise to previous visitors who haven't completed a task on our Website, for example by using the contact form to make an inquiry. This remarketing could be in the form of an advertisement on the Google search results page, or a site in the Google Display Network. Third-party vendors, including Google, use cookies to serve advertisements based on someone's past visits to the Website. Of course, any data collected will be used in accordance with this Privacy Policy and Google's privacy policy.

You can set preferences for how Google advertises to you, including by opting out of internet-based advertising over Google through the use of cookies, by visiting the Google Ad Personalization page (<https://adssettings.google.com>).
